Be sure to understand that the job entails long hours, little privacy, and many hours spent with children. Understand that your most important function is that of role model, which means that your habits, attitudes values, language, appearance are unusually important, and will, if you are an effective counselor, affect the growth of a number of campers. The contract stipulates that you do not use alcohol for the period of employment – time off as well as time on – in order to teach by example that alcohol is not a social necessity.

IF YOU ARE NOT WILLING TO TAKE THIS RESPONSIBILITY SERIOUSLY, PLEASE DO NOT APPLY.

Your signature attests that you have answered the above questions honestly and accurately. You are under no obligation to accept a job by your signature, but falsification of the application is grounds for rejection or dismissal.
